

PARENT PORTAL: Parent on-line access to your student's academic progress, attendance and discipline.

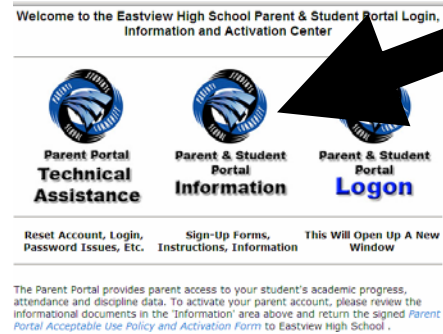

May 2008

Eastview High School Parents:

We would like to continue to enhance school and family communication by activating your "Parent Portal". The Parent Portal is your opportunity to go on-line and view timely information regarding your student's academic information, and attendance and discipline status. We look forward to continuing to enhance student success through quality communication between Eastview High School and our families. Your students will also have access to the Student Portal providing them the opportunity to view their personal data. **Sibling's data may not be viewed through the individual Student Portal as it is in the Parent Portal.**

IF YOUR FAMILY IS NEW TO EASTVIEW HIGH SCHOOL (with a 9th grader or new student):

1. Please access the Eastview High School Web Site at <http://www.district196.org/evhs> and click on the Information Center link and then click on the Parent & Student Portal icon to review additional forms, instructions and information.

2. Complete the form at the bottom of the Parent Acceptable Use Policy, on the backside of this document and mail it to the address provided. We will enroll you in the program, providing a **user name** and a **password** (via your e-mail address).
3. Although we encourage you to enroll now, information will not be posted for you to view until the 2008-2009 school year begins.

IF YOU WERE AN EVHS PARENT PORTAL USER DURING THE 2006-2007 SCHOOL YEAR:

You are automatically able to access the 2008-2009 Parent Portal using your current User Name and Password. Data will be displayed for all students in your family currently attending EVHS (including incoming 9th graders). There is no need to re-register if you have a current User Name and Password.

IF YOU WERE WITH US LAST YEAR, BUT NOT A PARENT PORTAL USER:

Please review the information above for families new to Eastview High School and complete the form on the backside of this document.

If you have questions regarding the Parent Portal, please e-mail the EVHS Portal Help Line at Eastview@district196.org.
